INTELLIGENCE MEMORANDUM

The India-Pakistan Situation
(Report #72 - As of 4:00 P.M. EDT)

1. Reports of difficulties over maintenance of the cease-fire continue to be received. The Pakistani Foreign Secretary told Ambassador McConaughy in the evening of 25 September of an Indian army attack, supported by tanks, in Indian territory south of Kasur and Ferozepore. According to this allegation, the Indians, apparently unwilling to wait for an orderly withdrawal, had issued an ultimatum to Pakistani forces to pull out at once. The foreign secretary stated that his government had not, as yet, responded in full strength.

3. An official Indian communiqué, quoted by Reuters, asserts that Chinese troops have withdrawn from all positions close to the Sikkim-Tibet border, which they had occupied during the past few days.
